

Foster Ovens

Milano 30" double Black Mirror - 7169 906

HIGHLIGHTS

XXL Chamber capacity

The Milano Ovens, have a considerable chamber capacity, with six levels of cooking. A valuable practicality for all types of cooking.

Dual ventilation

The dual fans provides perfect heat distribution inside the chamber, with surprisingly good results even for the more challenging recipes.

Triple light

Three lights, placed asymmetrically, provide perfect lighting, whatever cooking level is chosen.

Pyrolytic cleaning

Pyrolysis is the easiest way to guarantee an oven that is always clean. Once the cleaning cycle is terminated, just use a damp cloth to remove the residue.

Telescopic guide

The practicality and accessibility to the cooking chamber are increased with the exclusive supply of full extension telescopic chromed racks.

Meat Probe

Experience the precision of professional cooking with our meat probe that measure in real time, the core temperature of your food.

Easy cleaning

The Foster Milano oven is supplied with a special anti-fingerprint treatment that makes cleaning the outside of the oven simple and quick.

Perfect safety

The ability to lock the oven door and the keyboard along with the four glass doors supplied with the oven are the best guarantees for safe and serene use.
